Upon complaint or during periodic patrols, the Huntsville Town Ordinance Inspector is authorized and directed to inspect and examine real property situated within the corporate limits of Huntsville Town for the purpose of determining whether, in their opinion, the property contains objects or conditions of the kind in nature described above and for the purpose of determining whether the existence of the objects or conditions create or constitute a nuisance as defined in this section. The Ordinance Inspector shall notify the Huntsville Town Council, in writing, of their findings and of their recommendation. Upon direction from the Huntsville Town, the Ordinance Inspector will be authorized and directed whether to proceed or not with the process as described herein.

- B. Prepare a form letter explaining the ordinance and its definition. The letter should encourage all residents who could be in violation of this Title to take measures to remove or correct would-be violations. This form letter should be sent to all Huntsville Town Residents whom are affected by the violation and include a phone number in case anyone has questions.
- C. After a period of thirty (30) days, if nuisances have not been resolved, another form letter will be sent directly to the offenders. This letter should mention the previous form letter that went out to all affected Huntsville Town residents and it should take note that this particular offender has not been in contact with the Huntsville Town Ordinance Inspector, etc. This letter should inform the possible offender that: he/she has 30 days to be in compliance with the ordinance; to-wit: remove or correct the violation forthwith and if that doesn't happen a citation will be issued.
- D. If the specific offender does not comply within the thirty-day time frame after the second letter, a citation should be issued by the Ordinance Inspector, Weber County Sheriff or Weber County Constable. This citation shall inform the violator that he/she has been cited for a Nuisance pursuant to the Huntsville Town Title, a Class C misdemeanor, and the violator has a certain time period to contact the Clerk of the Huntsville Town Justice of the Peace Court in which to schedule a hearing.
- E. At the hearing (the arraignment) the Huntsville Town Attorney will be present, as a plea negotiation may be in order. Plea negotiations shall vary based on the severity of the nuisance or the prior record of the violator.

2.7 Abatement Hearing

Upon the written request of an owner or occupant objecting to the decision of the Ordinance Inspector to remove or abate objects or conditions described in this chapter, the Huntsville Town Council shall conduct an informal hearing (which need not be reported) wherein the owners or occupants of the property in violation may present such evidence and argument as is pertinent to the question of whether or not the removal or abatement of the objects or conditions is properly within the purview of this Title. The Huntsville Town Council shall also permit the presentation of evidence and argument by the Ordinance Inspector and other interested parties. At the conclusion of the hearing, or within such time as may be required not to exceed ten (10) days, the Huntsville Town Council shall render its written decision, a copy of which shall be mailed to or served upon the owners or occupants by the Ordinance Inspector. In the event the decision of the Huntsville Town Council upholds the determination of the Ordinance Inspector, the notice originally given by the Ordinance Inspector shall be deemed to be sufficient to require the owners or occupants to remove or abate the objects or conditions in the manner within the time limits described therein, provided, however, that the owners or occupants shall have at least ten (10) days from the date of notice of the Huntsville Town Council's decision within which to conform thereto. In the event the decision of the Huntsville Town Council either overrules or modifies the decision of the Ordinance Inspector, the written decision of the Huntsville Town Council shall apprise him of that fact and set forth the details and extent to which the owners or occupants must remove or abate the objects or conditions. The owners or occupants shall be required to conform to the decision of the Huntsville Town Council within ten days after service of the decision upon him and the decision shall be deemed to be the modified decision of the Ordinance Inspector.
