The Huntsville Town Council met at the Town Park to discuss the best possible location for the proposed Pickle Ball Courts. Different locations were measured and pros and cons weighed. The group discussed putting two courts on the south side of the tennis courts. One court would be placed in an open area south of the tennis courts; the other would take the place of one of the existing basketball courts. Another option was placing two courts side by side, south of the tennis courts utilizing the existing fence. The last option proposed was a sit over by the Town Maintenance sheds on the school property. This option seemed to be the optimal location due to the fact that not one tree would need to be removed.

**Meeting adjourned at 6:45 p.m.**
